

## Help Shape the Future of SEND in Leicester City

### Have your say on our response to the SEND White Paper

The government's SEND White Paper is bringing changes to how support for children and young people with SEND will work. We are developing our local SEND Reform Plan in response.

#### Join a Local Parent/Carer Drop-In Event to:

- Hear what the SEND White Paper means locally
- Learn about our proposed SEND reforms
- Share your views, experiences and ideas
- Help shape how services will be delivered in the future
